

BIOSTEEL HIGH PERFORMANCE SPORTS DRINK

**A GLUTEN-FREE, VEGAN AND DIABETIC FRIENDLY
ELECTROLYTE REPLACEMENT DRINK DESIGNED TO BE
CONSUMED BEFORE & DURING EXERCISE**

A unique proprietary formula designed to:

- Promote faster recovery between periods of intense exercise, providing faster recovery between shifts/plays/sets/workouts
- Reduce muscle damage and decrease muscle soreness after exercise
- Enhance energy while decreasing muscular and mental fatigue, without the use of harmful stimulants

BioSteel Sports® is the only choice for drug-free athletes looking for the highest quality nutritional supplements. Every batch is NSF Certified For Sport and is also independently screened by a WADA approved lab and is guaranteed to contain no traces of any banned substances. Alternative products consist of refined sugars, artificial colouring and flavours with small amounts of low-grade electrolytes and amino acids. BioSteel HPSD® contains only the highest quality amino acids and electrolytes in precise amounts and ratios supported by scientific research and testing.

With zero grams of sugar, BioSteel HPSD® has been used successfully by Type I and Type II diabetics to enhance mental energy and focus and delay muscular fatigue, without fluctuations in blood sugar. Originally formulated for the use of world class athletes, BioSteel HPSD® does not compromise on any ingredients or health benefits. It is simply the healthiest and safest product on the market allowing for optimal results relating to health and fitness.
